**BBQ and Hog-roast** – 28<sup>th</sup> October  
(Adult and child Hog-roast  
More information on prices to follow)  
**\*\*Open to All Dynamo members\*\***

### SOUTH AFRICA VISIT

In the lead up to the Olympic Games and as a result of our new found friendship, Dynamo will play host to a team of South African gymnasts who will visit the UK in October and take part in a training camp and competition being held at the club.

## BUILDING EXTENSION UPDATE – AUG

Dynamo's new building project is moving very fast....  
The project has now gone to tender and the building is expected to begin early in November with the aim of being finished around Spring 2012.  
The club is still running fundraising events to raise the much needed partnership funding the club needs to provide.

Please check for events taking place soon and come and support our efforts!  
Any fundraising ideas are also very welcome!

## RELAUNCH GYMATHON!

After the success of the last Gymathon event in June....Dynamo will re launch the Gymathon and open it to all our recreational members. We hope as many of our members will gain support and come and take part in this sponsored event.

All funds raised will go towards the new building project seen above which will be open to all our members to use.  
Sponsor forms will be available soon from your child's class.

We hope you can support this exciting event!

For more information on classes & timetables please call 023 8045 5007
