Sept 2010

BUILDING EXTENSION

Dynamo school of gymnastics are pleased to announce plans of an extension to the gym including the building of a club/social area and a dedicated pre school gymnastics centre.

Our plans also include preparations to host a team leading up to the 2012 Olympics Games by extending our existing vaulting area.

In order for our plans to be successful we are currently researching into streams of funding.

The club are also working closely with Eastleigh Borough Council & Hamble Community Sports College on a facilities bid to Gymnastics England.

The cost of the new build is approximately £800,000 , of this a large proportion will need to be raised within the club with fundraising events etc.

If anyone is interested in supporting our funding efforts we would be very grateful. We are looking for many partners to support our bid to provide a better gymnastics centre for our members.

For more information please call 023 80455007

Dates for your diaries!!

- Good Luck to the senior girls who travel to Hamburg at the end of September to compete in the International Hamburg Gymnastics competition.
- Womens Regional Levels : 26th September, Basingstoke Gymnastics Club.
Good Luck to everyone competing in this competition.
- Mens Regional Championships : 24th October, Dynamo School of Gymnastics.
Any volunteers to help at the event please see Adam
- Mens British Championships : 5th/6th/7th November, New College, Leicester.
Good Luck to Charlie and Callum who will be competing in that event.
