LAURA & KELLY TO OLYMPIC TEST EVENT

From January 7th, Dynamo's Laura Edwards & Kelly Simm will be in London at the Olympic Test Event being held at the North Greenwich Arena. (Formerly the O2 arena)

This will be the venue for the Gymnastics competition in the Olympic Games this summer.

The girls will be taking part in podium training with the other Great Britain gymnasts. This experience could prove valuable for the girls in their quest to be selected for the Great Britain Olympic Team.

Please check the website regularly and the notice boards around the gym to stay up to date with the girls progress on what will undoubtedly be a very exciting year for all involved!

"203 days to go!"

Good Luck also to.....
JORDAN RAE

We wish Jordan the best of luck during the competition and have thoroughly enjoyed hosting her and her coach Zoltan.

EXTENSION PROJECT UPDATE

As many of you would have noticed the building work for our new extension is well underway and on schedule to be completed in May this year.

Important notice -

From the week beginning 9th January The Office area and the corridor area will be taken over by the contractors.

In the link corridor there will be access for our gymnasts to come into the gym as usual but will no longer be a waiting area for parents.

Jacky will be taking registration and incoming fees from the main café area near the sports college reception. We are sorry for any inconvenience that maybe caused during this time.

A photo gallery has been set up on the gym website for anyone who wishes to follow the progress of the project.
